

Script Notes by Julia

SCRIPT COVERAGE SERVICES RATES FOR WRITERS

Half Reports

(Logline, Analyst Grid Ratings, 3-5 pages of Comments focusing on concept, plot, structure, characters, and dialogue)

- Short films & half-hour TV/podcast pilots (up to 35 pages) \$60
- One-hour TV/podcast pilots (up to 70 pages) \$75
- Feature films (up to 130 pages) \$90

Full Reports

(Logline, Analyst Grid Ratings, 7-10 pages of Comments focusing on concept, plot, structure, characters, dialogue, and producibility/presentation)

- Short films & half-hour TV/podcast pilots (up to 35 pages)* \$105
- One-hour TV/podcast pilots (up to 70 pages) \$130
- Feature films (up to 130 pages) \$155

**In my experience so far, I have found that the Full Report is generally unnecessary for scripts less than 20 pages*

For scripts that are slightly longer than the above-mentioned 35/70/130 maximum pages, there is an additional fee of \$1 per page, within reason. For extra-long features, web series, limited series, or full seasons of podcasts, please contact me for a specialized quote.

All coverage reports include a brief e-mail follow-up for questions that may arise from the report, if desired.

Turn-around time is usually 3-5 days, depending on the number of jobs I have in the queue. If you're on a tight deadline, please double-check with me to confirm my current availability. I generally don't accept rush jobs (i.e. 24-48 hours), but feel free to ask!

Add-ons

- One-page Summary (added to Half or Full Report) \$20
- Additional e-mail follow-up for questions \$15
- Phone/Video call follow-up for questions (30 minutes) \$35

Additional Services

- Script Editing (in-depth line editing services) \$250-750
Available on a per script basis, usually only after having written 1-2 coverage reports and/or worked one-on-one with the writer to make sure we're a good fit
